

# Our Lady of Grace Catholic School

The Our Lady of Grace finance committee met on Wednesday, January 25, to evaluate and discuss the financial stability and operations of the school. After reviewing the numbers of five (5) proposals the committee came to an agreement:

We are pleased to offer a tuition increase of only \$10.00 per child, per Smart Tuition installment. This minimal increase will help to offset the financial liabilities of the school while the Church continues to contribute over 30 % of the actual per child cost.

The Parish continues to work hard to provide an excellent and affordable catholic education while trying to keep our costs within reason. It is our sincere hope you find this small increase affordable and the education provided invaluable.
