Our Lady of Grace Parish is happy to continue to offer a quality Catholic School education opportunity to the children in our parish and community.

The tuition rates this year represent a \$20.00 increase per Smart Tuition Installment. This minimal increase will help off set the financial liabilities which the parish occurs in operating the school. As you will note below the parish contributes almost 35% of the cost of educating each child.

The Parish continues to work hard to provide an excellent and affordable Catholic education while trying to keep our costs within reason.
